

All About Moving with God

6-07

Dear family and friends ,

This will be the last newsletter from Port Townsend! We are in the middle of packing boxes etc., and on the 18th the rental truck will be loaded for Anacortes. This month's letter will be a rough, in-flight "Update".

Key points: -We are all well.

- God has us in His loving hands.
- He is keeping His Word to us and goes before us to prepare a place for us.
- He is miraculously connecting us with wonderful Kingdom-focused families

around Anacortes. Two of these families have invited us to stay with them as we continue the search for our new "embassy" compound out of which we will minister.

One boating couple is very excited about our boat retreat vision. They are currently pursuing the purchase of a 75' motor yacht. They said to me at lunch last Sunday (after having known us for only 2 hrs), "We won't be using the boat often, I see no reason why you (NMM) couldn't use it the rest of the time." Oh yah! God is on the move!

But, as you know, He requires us to walk by faith not by sight.

He asks us, "Will you trust Me?" and requires the answer to be in action not just lip service. The conversation might sound like this:

"Neil, you have asked to know Me deeper and co-labor with me in more powerful ways, but will you trust Me when you can't see the trail?"

"Yes Lord." (easy to say, right?)

" May I test your faith, so we can refine any vulnerable areas?"

Neil asks family: "Are you guys up for this?" "Yes, we want more, He is trustworthy!"

" OK Lord, we're in, we want our faith to be more pure."

" OK Neil, I'll use pressure and risk, but I'll be with you." (remember Abraham, Moses, David, Peter)

So far the pressure and risk have been in the form of unknowns in the areas of provision, housing and boat job issues, and it has exposed many issues needing to be submitted to Jesus for healing. So it has been a very profitable time.

Along the way He has been sharing many encouraging words and scriptures, so we are persevering.

During (and after) the transition we can be reached at 360-774-1180 (Neil's cell), 360-301-3937 (Kathy's cell) and at our new address: PO Box 1224, Anacortes, WA 98221

Thanks for your prayers and support,

Blessings, *Neil and crew.*
